

The Hymermobil B-Class MasterLine 780, 790 and 880

Main highlights of the B-Class MasterLine:

- Innovative and unique SLC chassis with level upper floor for greater driving stability, safety and comfort thanks to independent wheel suspension
- 3D front end hood for sporty performance and visually perfect integration of the track width
- Mercedes-Benz Sprinter chassis cowl:
 - 143 hp engine (standard) and 177 hp engine (O – exclusively available to the motorhome sector with no weight penalty)
 - 9G automatic transmission (O)
- Automotive assistance systems
 - DISTRONIC Active Distance Assist (O)
 - Crosswind Assist up to 4.5 t (standard)
 - Active Brake Assist (standard for the 414/418 CDI chassis)
- Keyless start with automatic ignition key detection
- Standard through-loading compartment including extra-deep cellar compartment with access from the inside
- 180 l fresh water and 150 l waste water tanks
- New from winter 2019 for all three layouts: all lights dimmable, central switch on rear fold-down bed for easy operation of ambient lighting throughout the vehicle

B 780 ML  4.430 kg – 4.500 kg   []

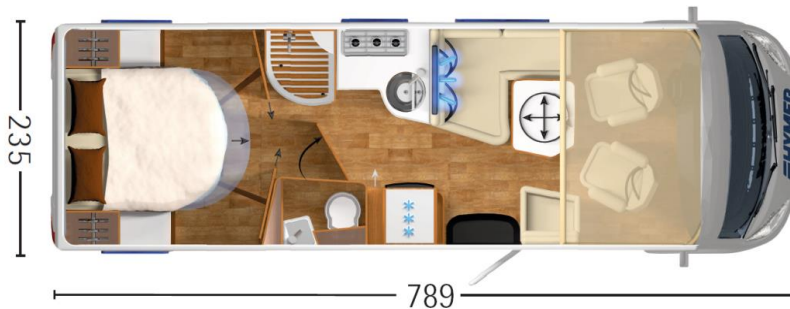

Basic Price: from 104,990 €

Main highlights B-Class MasterLine 780:

- Generous feeling of space thanks to corner kitchen and large seating area
- 153 l refrigerator with double hinge – can be opened in both directions
- Corner kitchen with large workspace in front of cooker and front controls, including mid-height larder unit

- LED TV perfectly integrated into the living area, with optional electric TV lift
- Two large single beds measuring 2 m long and almost 90 cm wide for optimal comfort
- Floor-to-ceiling fixed sliding door for convenient separation of the bedroom from the living area
- Large, floor-to-ceiling wardrobe
- Wider side couch for an even more spacious feel
- Shower with 1.94 m headroom or level standing space thanks to matching shower grate
- Multi-level LED ambient lighting on the overhead lockers, under the kitchen counter and in the plinth area
- Low-level gas locker with adjacent gas bottles for easier access and gas-bottle changes
- Large moped garage with a height of up to 123 cm and a width of 110 cm
- 65 cm XXL entrance door with window (optionally with central locking system, closing aid and RFID access)
- Optional 5th seat or multifunctional sideboard on side seat (O)

B 790 ML  4.430 kg – 4.500 kg  [5]

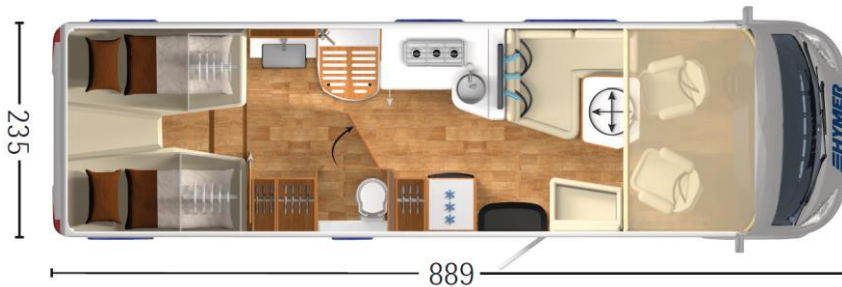

Basic price: from 104,990 €

Main highlights B-Class MasterLine 790 (compared to 780):

- Electrically height-adjustable queen-size bed with generous dimensions of 200x156 cm
- Floor-to-ceiling partition for convenient separation of bedroom from living area
- Two large wardrobes next to the bed plus additional under-bed drawers
- Corner kitchen with large workspace in front of cooker and front controls, including facing floor-to-ceiling larder unit
- Large moped garage with a height of up to 114 cm and a width of 90 cm

B 880 ML  5.500 kg   []

Basic price: from 115,990 €

Main highlights B-Class MasterLine 880 (compared to 780):

- Up to 5.5 t gross vehicle weight
- First tandem axle model on an SLC chassis
- 30 cm larger side couch → Entrance door moves back to open up the area between the seating area and kitchen for a generous feeling of space
- Corner kitchen with 20 cm wider work surface in front of cooker and front controls with premium solid-surface worktop as standard, plenty of space next to cooker, e.g. for a large coffee machine, and a second 20 cm-wide mid-height larder unit
- Additional wardrobe, e.g. for outdoor wear
- Two long beds measuring 2.10 m each in sleeping area. Additional large wardrobe at the foot of each bed (1x with hanging rail, 1x with shelf compartment)
- Storage space: three floor hatches, two with external access via through-loading compartment. Additional floor hatch with storage space in luxury bathroom (no external access)
- Stylish luxury bathroom:
 - Shower with real glass doors
 - Redesigned separate washbasin including mirror cabinet with indirect lighting, wall fitting (integrated tap) and three drawers under washbasin for even more storage space. Extra storage space behind mirrors.
 - Even more spacious toilet with open shelf and towel radiator. Additional outward-opening window to let in more daylight and aid ventilation.
 - Roomy double-door wardrobe, left side 42 cm wide with two further drawers below, right side 25 cm wide with shelving.
 - Additional 40x40 cm roof vent for optimal ventilation and daylight throughout the bathroom.

Comprehensive standard equipment:

- Mercedes-Benz 414 CDI, 105 KW / 143 hp
- SLC chassis (Super Light Chassis)
- Crosswind Assist (up to 4.5 t)
- Keyless start with automatic ignition key detection
- LED daytime running lights and LED indicators integrated into Hymer headlights
