

Edition model Hymer Exsis 580 "Pure"

Exsis-t 580  3.500 kg – 4.400 kg    []

Exsis-i 580  3.500 kg – 4.400 kg    

Basic Price Exsis-t 580 Pure: 62,990 €

Basic Price Exsis-i 580 Pure: 73,990 €

Main highlights:

- Special model on a Citroën chassis with an equipment package that leaves nothing to be desired in terms of driving and living comfort.
- Ultra-compact dimensions with a width of 2.22 m and an external height of 2.77 m (1.98 m internal height).
- Reliably within the 3.5-ton class as a semi-integrated and integrated vehicle despite a full set of travel equipment (over 500 kg payload reserves in semi-integrated version).
- Even roomier feel in the rear due to the absence of overhead lockers – and no risk of banging your head!
- The new-generation furniture from the Hymer B-Class ModernComfort has brought the Exsis into the modern age and adapted it to the new Hymer interior design, including the superb 32" TVs in the comfort bathroom. The new design also creates an improved sense of space – say goodbye to that cramped feeling!
- Despite the step up to the seating area due to the improved shape towards the cab, the living area is level throughout.
- Hymer high-tech PUAL 2.0 bodywork (100% wood-free with no thermal bridges) featuring aluminium inner and outer panelling.

Comprehensive edition equipment package for Exsis 580 "Pure" integrated and semi-integrated models:
